Chapter 1

I was walking through the woods with Sally when she asked me. "John Where are we going?" I turned around and said "We are going to meet my brother and some other people like me." I sighed i still have not told her that the others had dragons like me. I looked up at the clouds I couldn't wait to see Silver again. I stiffened as i heard a twig snap in the distance from the vibrations they would be here in 40 seconds.

"John is everything okay?" She asked concern clouding her eyes. I grabbed her and put her under a bush "Hey!!" she started

"Shhh!!!" I hissed "Stay down and be quiet" I grabbed the stick next to me knowing my katanas would make too much noise. 30 seconds went by and to dark hooded figures appeared where Sally and I just were.

"Iris are you sure you saw my brother?" the man asked. The lady nodded

"Yes I also saw Sally. She's my childhood friend Dan. So is she is with your brother she is most likely safe." Dan nodded. My whole body tensed as I felt Sally grab my arm. Not think I swung the stick behind me at full force. CRACK!!!! From the noise I hit the bone around the knee.

"Ouch! Man bro I finally see you after so long and you try to take out my knee cap?" I looked behind me to see my brother.

"Dan!" I said hugging im

"Hahaha hey man!" he said back as I helped Sally up.

"John who is this person?" Sally asked hiding behind me.

Sally this is my twin and he is younger than me by a few minutes. I told her I looked at Dan. "How is Silver and the others?" I asked. Dan smiled and said "They're all fine. "John what's wrong?" Dan asked as he saw me pull my sword off my back. He saw the look in my eyes and nodded. He knew who I sensed because when we feel threatened we can communicate telepathically.

"Sally take Iris and get behind Dan." I whispered. She nodded and took Iris and got behind Dan just as she stepped out of the opening between some trees. "Mya!" I hissed in pure disgust.

"Well well well if it isn't little Johnny boy." Mya said laughing as she drew her sword and lunged at me. I dodged and felt the sword slice my side. I could tell Dan thought she only got my shirt.

"Dan! Get Sally and Iris now!" I screamed telepathically. He nodded as I turned around and started chanting a spell "ifhfoehfvvo" Mya screamed as she got covered in vines shutting off her sight. I hopped on Silver and we took off. "Dan why is she back?" I asked.

He shook his head
